

Funding Request - Rotary Clubs  
Child Haven Orphanage & School Upgrade program, Kathmandu, Nepal

Project Title	Child Haven Orphanage & School Upgrade Program ("Child Haven") Late Padma Pradhan Child Haven Charitable Trust ("Trust").	
Country/town/region	Arubari, Jorpati, Kathmandu, Nepal	
Project Objectives	To provide better quality facilities at Child Haven and thus improving the quality of life for day to day activities at the home. These two expected outcomes are part of a larger program of upgrades. Funding may be sought for other aspects of the program upon receipt of photographs and written reports on the completion of these three initiatives.	
Target group	Child Haven Family, including children, staff and volunteers.	
Expected Outcomes	<p>1) Fans for School - Better student &amp; teacher concentration, happier more productive students during the hot months. Solar Back Up energy for school. – Total \$800</p> <p>2) Solar Water Heater - More enjoyable winters due to accessing hot water for bathing, &amp; cooking - reduced use of gas while cooking - \$2,000</p> <p>3) Water Reservoir Tank - \$5,000</p>	
Methodology	Quotes have already been obtained. Invoices for the equipment and installation will be presented for payment to the Trust. All expenses will be reviewed by the Rotary Club of Bhakatapur.	
Implementing or Coordinating Agency	Employees or other representatives of Child Haven will do the Upgrade Program's work using funds from the Trust and oversight from the Rotary Club of Bhakatapur	
Project Duration	All will be implemented within a year of receiving funds and will last for many years to come.	
Total Project Costs	\$7,800 CAN
